## SCHOOL TIMINGS FOR 2019-20

TSUSP/GEN/042/2018-19

Date: 18.03.2019

Dear Parents,

Namaste!

In our constant endeavour to better ourselves and bring out the best in our students, we are upgrading our processes, events and activities.

In keeping with this, we are proposing to introduce an activity period to be introduced into the daily time-table and hence will need to advance the school timings as :

### **8:30 a.m. to 3:30 p.m. for Main School**

This activity period will serve to initiate some vital programs in school, which would enhance and develop our students' personalities and hone their skills.

Each day students will be engaged with different types of activities, a sample schedule is as follows:

DAY 1	DAY 2	DAY 3	DAY 4	DAY 5
Self-Defence/ Martial arts	Outdoor Sports 1	Outdoor Sports 2	Indoor game Chess/carrom	<u>Club Activity</u> Book Club/Paryavaran Club/Crafts Club/Music Club

With reference to this early start, we have been assured by our bus operators that an advancement of school timings by half an hour will mean an early pick up of only 15-20 minutes, since the buses are already arriving early in School. An early pick-up may also help to eliminate peak time traffic woes.

We hope you will receive our proposal favourably. We look forward to resolving your concerns if any.

**Please note that Pre school timings will be 8:30 a.m. to 12:30 p.m.**
