## CIRCULAR FOR OLYMPIAD EXAMS

Dear Parents,  
Namaste!

Science Olympiad Foundation (SOF), The Asia's biggest Olympiad conducts Olympiads related to General Knowledge, Cyber, Science, Mathematics and English. Olympiad is an academic and scholastic aptitude competition encouraging learning in Cyber, Science, English and Mathematics. This exam assesses the students at national level by doing away with the drawbacks and inadequacies of testing done at the school/regional level. A National level assessment gives the student an idea of where he/she stands and imparts the confidence to face exams at the national level.
