**CIRCULAR REGARDING COMPETITIVE EXAMS**

Dear Parents,

Namaste!

We are happy to declare the dates of the competitive exams for the year 2020-21. The exams are NELTAS, SOF (Olympiads) and LogiQids.

Early exposure to learning and competition builds confidence and sharpens skills which raise the level of the child as compared to other students on the same platform. The main aim of these competitive exams is to improve intellectual, logical skills and reasoning capabilities among students. Most of these competitive exams are combination of aptitude and subject knowledge.

Due to the current situation where schools are closed, all these exams will be conducted online and children can appear for these exams from home. We look forward to maximum participation.
