CIRCULAR REGARDING TERM I EXAMINATIONS

Dear Parents,

Namaste!

Our ensuing Term I examination for classes 6 to 8 is scheduled to be held from 14th September, 2020. In this regard, I request all the parents to kindly take note of the time table which is attached herewith.

We want the students to meticulously plan their revision and prepare a well charted schedule so that they take the exams with confidence and ease.

Parents are hereby requested to ensure that there is full attendance to the exams. Make sure that children eat healthy, have adequate exercise and remain fit and strong, especially during this challenging and unprecedented times!

Our earnest request also goes out to parents to ensure that their wards do not resort to any unfair means while attempting the exams. An honest and lower score is of much greater value than ill-gotten high scores and we would wish all our students to exhibit the highest level of integrity as true Shriites.

Good Luck for your exams!

Regards,

Radhika Srinivasan
Principal
