CIRCULAR REGARDING UPDATING THE ACADEMIC PLAN

Dear Parents,
Namaste!

Team TSUS joins me in wishing you a healthy, happy and safe New Year 2021.

At TSUS, it is our constant endeavour to make learning relevant, engaging and child-centric and hence, we have made a few changes in our schedules and timetables and a few initiatives have been planned as follows:

- Incremental increase in class timings in order to facilitate and maintain rigour and discipline
- Increase in the number of synchronous sessions in subjects like Marathi and Math
- Increased one-one and small group interactions
- Doubt-resolving sessions and revision lectures
- Improved feedback mechanisms for students and parents like attendance and participation feedback in the form of fortnightly reports for students of Class 6, 7, 8 and parent connects during walk-in days for Elementary and Middle school students.
- A 10 min break between classes
- Resumption of eye yoga sessions by the school nurse to ensure eye health
- Class meetings are being planned with class and subject teachers
- Training session for using Shri Connect portal effectively

We hope that these and other forthcoming initiatives will be well-received and adopted in the interest of students. We are also extremely glad to share that our engagement strategies using a multitude of tech tools, assessment strategies, experiential learning opportunities like virtual field trips and more will continue in this quarter too.

We take this opportunity to invite you to our week-long eco-extravaganza 'All About The Environment' Meeting links and detailed schedules for the same will follow soon.

Best Regards,

R. Srinivasan
Principal
