CIRCULAR REGARDING AFFILIATION STATUS FOR TSUS

Dear parents,
Namaste!

We are indeed overjoyed and thrilled to share with you that our school has been granted affiliation with CISCE (Council for The Indian School Certificate Examinations).

We have received this confirmation from the Council recently and will be proceeding to comply with all the due diligence processes that it encompasses.

We will also soon start our registration process for the Class 9 students.

Our Congratulations and good wishes to all the students, parents and staff members for achieving this milestone.

Thank You for your support and trust.
